## Known for Exceptional Care

For more than a century, CalvertHealth (CH) has been known as a top healthcare provider for Calvert County and the surrounding communities.

We strive to fulfill our vision to be the trusted healthcare leader, delivering a lifetime of exceptional care. The families we serve know us best for high-quality inpatient and outpatient care, top-notch nurses, innovative cancer care and community health outreach. One of the largest employers in the region with more than 1,150 employees, CalvertHealth remains a strong, independent health system with more than 300 physicians and providers on medical staff. Our Network of Care includes CalvertHealth Medical Center (CHMC), our employed provider network – CalvertHealth Medical Group (CHMG), a home health agency, a diagnostic imaging facility and locations throughout the county for urgent care, radiation and physical & occupational therapy.

***CH offers you an innovative medicine culture for a challenging and rewarding medical career, along with an attractive lifestyle in an area of breathtaking beauty.***

## Known As a Leader of Innovative Medicine

CalvertHealth Medical Center is an acute care, not-for-profit, independent medical center. CHMC is widely respected as one of the best community hospitals in the nation as recognized by *Becker's Healthcare*. Commitment to high quality care is further evidenced by the numerous accolades achieved for positive patient outcomes.

## Known for An Outstanding Medical Staff

CHMC is pleased to have more than 300 active and consulting board-certified/board-eligible medical staff members representing more than 50 specialties. In addition, partnerships with regional tertiary centers of excellence help bring some of the region's top experts in specialized areas like gynecologic oncology and neurospine surgery close to home for local residents. A strong sense of community and a fundamental belief in helping residents live well is part of the CHMC culture, resulting in programs like **KeepWell@Work**, **Transition to Home** and the **Mobile Health Center**. As a CH provider, you will join a highly educated and trained medical staff. The CH senior leadership team is open, accessible and focused on providing quality and safe patient care in an atmosphere of service excellence.

## Known for Collaboration and Integration

## Known as “The Pleasant Peninsula”

Calvert County offers you an attractive lifestyle – from high-ranking schools and a low crime rate to a moderate climate and abundant recreational opportunities. New residents quickly find out why we’re known as “The Pleasant Peninsula.” Although Maryland’s smallest county at 213 square miles, Calvert County enjoys one of the highest median household incomes in the U.S. We are home to 5,200 businesses and major industries including defense contracting, information technology and tourism.

Our primary service area is situated between the Chesapeake Bay to the east and the Patuxent River to the west, where there is plenty to enjoy from our sandy beaches and nature parks to boating, biking and hiking. Calvert County is also home to several museums, a water park, aquatic center, sculpture garden, antique shops, art galleries and libraries that offer fun and educational activities for all ages.
